

## Application form:

Please apply to be connected to the project of your choosing by sending the answer to the following in an email to:

- **hr@mir-robots.com**

Enter **“name of project”** into the ‘Subject-line’ of e-mail

Create and attach a motivated application for the project, in which you include:

- Why you have interest in this project?
- Which opportunities do you see for yourself and MiR coming from participating in the project?
- Which preliminary considerations have you made on how to approach the project?

Attach relevant documentation of your studies and background for this project.

Clearly define the time period, in which you are available for taking part in the project.

Best regards

**HR Talent Acquisition, Mobile Industrial Robots**
